Course Extension allows a student two additional weeks to complete a course after the deadline. The cost is \$100 per extension per course. For most students, this is sufficient time to complete a course. Extensions can be renewed by filling out another form and paying the fee.

Directions: Fill in name of the course for the extension as well as the semester. The course dates are the dates of the extension. Type of credit and Type of Course are the same as the original enrollment.

An Official Transcript is available at NWLS to be delivered to your school's counselor. A transcript is not available until all balances are paid in full and all books are returned.
